Out Reach Projects – India - Sep'19

Supporting the Survival of orphaned Cows & Bulls in their old age.

Enlightenment Circle is providing financial help towards medical & essential food items to the animals at the **Indian Institute of Animal Welfare (IIAW)** for every month for one year to overcome the current predicament of the organization.

Please see these attached clips shows how animals are enjoying their lunch:
<https://www.youtube.com/watch?v=iav8WAq5FE0&feature=youtu.be>

This is the oldest animal in the sanctuary.

Dr. Sadhana Rao initiated this charity IIAW in south India 42 years ago to help 20 orphaned & elderly cows.

Now she is 72 years of age and continuing to look after the animals with same commitment and enthusiasm. Currently the organization has over 600 elderly cows/bulls of which 100 of them are disabled. Dr Sadhana Rao has utilized all her personal wealth. She continues this service with the help of well-wishers. These animals are located at Venkatapuram (70km from Chennai) in Thiruvallur district.

We started this initiative in 2016 and did manage to extend this help till 2019 with your financial support.

All the animals thank you for your invaluable help....

All these orphaned animal's blessings are dedicated to the following, for their invaluable help...

Our sincere thanks and these animals' blessings also go to:

Ms. M Kanagalakshmi from Chennai for providing invaluable help by coordinating activities very methodically on the ground. Thanks to all the sponsors looking after these animals for the past 4 years.
