Out Reach Projects - Sri Lanka – Sep'19

Special Anna Dhanam (food offerings) provided for over 165 elders at Konavil in Vanni during September'19.

After the war over 165 elders were displaced to Konavil in vanni. They are living under the poverty line and are struggling to manage their day to day living.

We were the first organisation who recognised these elders situation and provided Anna Dhanam on a "Meals on Wheels" concept; where a nutritious vegetarian meal is served as an act of Anna Dhanam.

This initiative is a very special one from the request, to combat loneliness due to traumatisation in loss of family members and their children during the war, displacement from their villages, loss of possession etc. leading to mental instability and dementia.

Our thanks go to KM Foundation for their invaluable support on the ground.....

Our special thanks to a well-wisher who would want to remain anonymous in providing continuous support for this invaluable cause.

We have served over 11,875 nutritious vegetarian meals to the hungry in Sri Lanka, India, Malaysia etc. during 2017 and over 12,250 in 2018 with your support.
